

William Ferguson

Business Services Division Director

William Ferguson serves as the Business Services division director for PanTeXas Deterrence, LLC, the management and operating contractor for the Pantex Plant in Amarillo, Texas. He joined Pantex in 2024.

In his current role, Ferguson is responsible for planning, implementing, and overseeing the full range of business services including finance and accounting, procurement, small business participation, contracts, and human resources.

Ferguson has experience managing business services concerning complex U.S. Department of Energy projects and in the commercial nuclear industry at the corporate level. Previously, Ferguson served as the vice president/controller to Westinghouse Government Services. He held positions of increasing responsibilities related to all aspects of accounting operations and financial reporting. This extensive career allows him to bring the strategic and analytical skills necessary to align business services and operations functions for PXD.

Ferguson earned a Master of Business Administration from Nova Southeastern University, Florida, and a Bachelor of Science in Accounting from the University of South Carolina.

Ferguson served eight years in the U.S. Navy and U.S. Navy Reserve.
