

Kristy McWilliams

Safeguards, Security, and Emergency Services Director

Kristy McWilliams serves as the Safeguards, Security, and Emergency Services director for PanTeXas Deterrence, LLC, the management and operating contractor of the Pantex Plant in Amarillo, Texas. She joined Pantex in 2002.

In this role, McWilliams manages all aspects of SS&ES.

McWilliams has more than 20 years of experience working as a contractor for the U.S. Department of Energy's National Nuclear Security Administration. Her positions with CNS have included deputy director of SS&ES and senior director of Enterprise Program Management and Strategic Planning/Reporting. She also served as deputy division manager for Pantex SS&ES. As group leader of Program Management at Pantex, she provided oversight for resource/budget management, project management, performance assurance, and logistical support.

McWilliams has spent her career providing and managing business services. Prior to her work at Pantex, she served nine years as manager and treasurer for American General Corporation in various capacities including management of financial reporting, tax compliance, and benefits accounting.

McWilliams earned a Bachelor of Science in Accounting from Texas Tech University.

Additionally, McWilliams is a certified public accountant.
