

Important Tax Information – 1095-C form

Previously, employees, retirees, and COBRA participants received a 1095-C tax form from PXD in the mail that described the health insurance coverage that was carried throughout the year. This form was required by law under the Affordable Care Act and was used to verify that you had health coverage during the year.

For tax year 2025, PXD is no longer required to mail the 1095-C out to employees, retirees, and COBRA participants, however if you would like a copy of the 1095-C form, you may request it through one of the following ways:
