

Ashley Massucci

Chief of Staff

Ashley Massucci serves as the Chief of Staff within the Office of the President for PanTeXas Deterrence, LLC, the managing and operating contract for the Pantex Plant in Amarillo, Texas. She joined Pantex in 2017.

In this role, her responsibilities include integration functions for executive leadership team and site reporting functions. She also serves as the Space Management manager and is a member of the Digital Transformation Integrated Management Team.

Previously, Massucci held two positions within the Performance Excellence organization at Pantex.

First, she served as a Data Analyst. While in this role, she helped stand up a data analytics team and assisted in readying Tableau, a data visualization tool, for the use of performance management across the site. Additionally, she supported the Disciplined Operations and Pantex Production Optimization initiatives.

Second, and after serving as Data Analyst, Massucci was the Systems Analysis and Improvement (SA&I) Manager. During this time, she managed the SA&I team in performing cross-organization improvement projects and reviews.

Massucci is actively engaged in her community. Some of her volunteer positions include serving as a committee member for Christmas Roundup Amarillo and PTO member at Sleepy Hollow Elementary. She is also a supporter of Pantex sponsored community outreach events.

She earned a Master of Business Administration from West Texas A&M University and a Bachelor's in Applied Mathematics from the University of Oklahoma.
