

WE'RE LOOKING FORWARD TO HOSTING YOU AT PANTEX!

Pantex plays an integral role in our nation's nuclear defense. Here are some important details and materials to help prepare for your visit.

BEFORE YOUR VISIT:

- Review security and safety information
- Complete visitor training
- Complete required forms with your host or contact

If you have an HSPD-12/PIV badge from another DOE/NNSA site and will be traveling to Pantex, you may pre-register for site access through the Pantex visitor portal (PVP). Additional access requirements may be necessary. For step-by-step instructions visit the PVP user guide below:

BADGING AND SECURITY PROTOCOLS

All Pantex visitors must bring with them two forms of identification for security processing. All National Nuclear Security Administration (NNSA) facilities are directed to follow the [Department of Homeland Security's REAL ID Act](#) for allowable identification.

IF YOU HAVE REQUESTED ACCESS TO THE MAA:

Be prepared to present one of the follow forms of identification at the Building 16-12 Visitor Center and at any security checkpoint (including HSPD-12 federal credential holders). A secondary form of ID may be required. Once all necessary steps are complete and we have validated your identity and clearance level, we will grant appropriate access to the site.

Current forms of citizenship identification accepted:

- Current U.S. passport or passport card
- Certified birth certification issued by the city, county, or state of birth
- Certification of birth abroad or certification of report of birth issued by the Department of State
- Certificate of Naturalization
- Certificate of U.S. Citizenship
- Documented proof of citizenship through a Department of Energy (DOE)-recognized database

IF YOU HAVE ANY QUESTION ABOUT YOUR ACCESS, CALL PERSONNEL SECURITY AT 806-477-3908.
