Seth Ritter

Information Technology Division Director and Chief Information Officer

Seth Ritter serves as the IT division director and chief information officer for PanTeXas Deterrence, LLC, the management and operating contractor for the Pantex Plant in Amarillo, Texas. He joined Pantex in 2000.

In this role, Ritter manages a broad range of information technology, cyber operations, and risk management activities in the IT Division.

Ritter previously served as the chief technology officer and IT infrastructure director for Consolidated Nuclear Security. He was responsible for overseeing the IT architecture planning and project execution for the IT project for site separation. He was also responsible for the IT budget for all hardware, software, life cycle refresh and maintenance contracts. Ritter developed, matured and provided governance to enterprise architecture to support management and operating strategy and mission objectives, and he led the implementation of the IT demand review process to prioritize and develop architecture designs for requested projects.

Throughout his 25-year Pantex career, Ritter has expanded his knowledge and experience of leading IT strategy, innovation, change management, and digital transformation to align with the mission. He is a proven leader in executing major transformational change to achieve strategic goals and has delivered business value since starting his career at Pantex as an intern.

Ritter earned a Bachelor of Science in Computer Science and Mathematics from West Texas A&M University.
