(2) “Discrimination” means adverse treatment of a Concerned Individual because he/she raised an Employee Concern.

(3) “Employee Concern” means a good-faith expression by a Concerned Individual that: (1) an activity, policy, or practice of DOE, or one of its contractors or subcontractors — including but not limited to, that which is related to the environment, safety, health, security, quality, and management of DOE facilities and/or operations — should be improved, modified, or terminated; or (2) he or she has been subjected to HIRD (as defined herein) by DOE, Company or one or more of Company’s subcontractors, for raising an Employee Concern.

(4) “Harassment” means a behavior or an action taken by one or more supervisors or co-workers against or toward a Concerned Individual to belittle, humiliate, or impede that Concerned Individual in his or her work environment or job performance because the Concerned Individual raised an Employee Concern. Harassment may include, but is not limited to, threatening, restraining, coercing, blacklisting, mocking, humiliating, and/or isolating a Concerned Individual.

(5) “Harassment, Intimidation, Retaliation/Reprisal, or Discrimination” (HIRD) means a type of Employee Concern that includes allegations of Harassment, Intimidation, Retaliation/Reprisal, or Discrimination for raising an Employee Concern.

(b) Seller shall establish and maintain an Employee Concerns Program (ECP) suitable for the organization to accept, process, and resolve Employee Concerns in a timely manner.

(c) Seller shall provide means to inform its employees and its subcontractor employees regarding their rights and responsibilities to raise any Employee Concern related, but not limited to, the environment, safety, health, security, quality, and management of DOE facilities and operations, as well as Harassment, Intimidation, Retaliation/Reprisal, or Discrimination (HIRD), to Seller’s ECP, Company’s ECP, or the DOE ECP.

(1) While Seller Employees are encouraged first to seek resolution with first-line supervisors or organizational managers, or through Seller’s or Seller’s subcontractors’ own existing complaint or dispute-resolution systems, Seller Employees have the right to report Employee Concerns through the Company ECP through the following avenues:

Y-12:
Seller Employees may also call the NNSA Production Office at Y-12 at 1-865-241-6497 or at Pantex at 1-806-573-36623, or DOE Employee Concerns Hotline at 1-800-676-3267 or the DOE Inspector General Hotline at 1-800-541-1625.

(2) Although Employee Concerns may be reported anonymously, the investigation into the Employee Concern may be limited if insufficient information is provided when submitting the Employee Concern. Those who submit Employee Concerns anonymously will not receive a direct response.

(d) Seller shall cooperate with and assist Company in (i) assessments of Seller’s ECP Program, and (ii) the processing of Seller Employee Concerns that are submitted to Company and/or the DOE ECP. This includes, but is not limited to, responding to the allegations in the Employee Concern, and making pertinent information, including relevant documentation, available to Company as necessary to address the submitted concern.

(e) Seller’s resolution of Employee Concerns must be in a manner that protects the health and safety of both employees and the public and ensures effective and efficient operation of the DOE-related activities under Seller’s or Company’s jurisdiction. Assessments of Seller’s ECP program may be used to verify if it acted to minimize, correct, or prevent recurrence of the situation that precipitated a concern.

(f) Seller shall implement corrective actions as directed by the Company Procurement Representative.

(g) Seller shall notify Company when it becomes aware that a Seller employee filed a formal complaint of Retaliation/Reprisal, including a complaint submitted pursuant to 10 CFR 708, DOE Contractor Employee Protection Program; 41 USC § 4712, Enhancement of Contractor Protection from Reprisal for Disclosure of Certain Information; or a complaint filed with the U.S. Department of Labor under 29 CFR 24, Procedures for Handling Retaliation Complaints.

(h) At least every six (6) months, or more frequently if requested by the Company Procurement Representative, Seller shall provide to Company a summary of Employee Concerns activity data with respect to Seller’s ECP.

(i) As a means of establishing an effective program, Seller’s ECP should utilize ECP best practices, which may include, but are not limited to:
   (1) Ensuring that there is an ECP Manager who reports to a designated executive in Seller’s management chain;
   (2) Establishing a case-file system of documentation and records for Employee Concerns;
   (3) Establishing a process that provides anonymity and confidentiality for Seller Employees who raise Employee Concerns unless Seller is legally compelled to disclose such information;

(b) The interest of Company or DOE in this Agreement may not be used in advertising or publicity without advance written approval of the Procurement Representative.

(c) Flowdown - Requirements of this Article, including paragraph (c), shall be flowed down to all lower-tier subcontracts.

11. CONFIDENTIALITY OF INFORMATION [Apr 2021]

(a) To the extent that work under this Agreement requires that Seller be given access to confidential or proprietary business, technical, or financial information belonging to the Government, Company, or other parties, Seller shall after receipt thereof, treat such information as confidential and agrees not to appropriate such information to its own use or to disclose such information to third parties during or after the term of this Agreement unless specifically authorized by Company in writing. The foregoing obligations, however, shall not apply to (1) information which, at the time of receipt by Seller is in public domain; (2) information which is published after receipt thereof by Seller or otherwise becomes part of the public domain through no fault of Seller; (3) information which Seller can demonstrate was in its possession at time of receipt thereof and was not acquired directly or indirectly from Government or Company; (4) information which Seller can demonstrate was received by it from a third party who did not required Seller to hold it in confidence.

(b) Seller shall obtain written agreement, in a form satisfactory to Company, of each employee permitted access, whereby the employee agrees that he will not discuss, divulge or disclose any such information or data to any person or entity except those persons within Seller’s organization directly concerned with performance of this Agreement.

(c) Seller agrees, if requested by Company or DOE, to sign an agreement identical, in all material respects, to the provisions of this clause, with each company supplying information to Seller under this Agreement, and to supply a copy of such agreement to Company.

(d) Seller agrees that upon request by Company or DOE, it will execute a DOE-approved Agreement with any party whose facilities or proprietary data it is given access to or is furnished, restricting use and disclosure of the data or the information obtained from the facilities. Upon request by Company or DOE, such an Agreement shall also be signed by Seller’s personnel.

(e) Flowdown - Requirements of this Article, including paragraph (e), shall be flowed down to all lower-tier subcontracts.

12. COMPLIANCE WITH LAWS [Apr 2021]

(a) In performing work under this Agreement, Seller shall comply with the requirements of applicable Federal, State, and local laws and regulations, unless relief has been granted in writing by the appropriate regulatory agency.

(b) Except as otherwise directed by Company, Seller shall procure all necessary permits or licenses required for the performance of work under this Agreement.

(c) Regardless of the performer of the work, Seller is responsible for compliance with the requirements of this Article. Seller is responsible for flowing down the requirements of this Article to subcontracts at any tier to the extent necessary to ensure Seller’s compliance with the requirements.

13. EXPORT CONTROL [Apr 2021]

(a) Seller must comply with all U.S. export control laws and regulations, including, but not limited to, the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799, in the performance of this Agreement (see also the illustrated list of additional export laws at DEAR 970.5225-1). In the absence of available license exemptions or exceptions, Seller must obtain required licenses or other approvals for exports of hardware, technical data, and software, or for the provision of technical assistance.

(b) Seller must obtain export licenses, if required, before using foreign persons in performance of this Agreement, if the foreign person will have access to export-controlled technical data or software.

(c) Seller is responsible for all regulatory record-keeping requirements associated with the use of licenses and license exemptions and exceptions.

(d) Guidance regarding national policy set forth in National Security Directive 189, concerning fundamental research and export control is at DEAR 970.5225-1.
(e) Flowdown – Requirements of this Article, including paragraph (e), shall be flowed down to all lower-tier subcontracts.

14. DOE SECURITY BADGES AND CLEARANCE REQUIREMENTS [Aug 2021]

(a) Security badges issued by Company to Seller employees and Seller’s lower-tier subcontractor employees are Government property. Seller must ensure that badges issued to its employees and employees of its subcontractors at all tiers are returned to Company. Employees must return badges upon expiration of this Agreement, termination of employment, or when access to the Y-12 National Security Complex or Pantex Plant is no longer needed. Employees holding an L or Q clearance must attend a security termination debriefing conducted by Company when returning badges. When possible, Seller must notify the STR three business days before an employee holding an L or Q clearance will be returning a badge so that debriefings may be scheduled. However, in all cases, the Personnel Security Clearance Office should be notified by Seller within one working day of a termination of employment or need for access to the Complex if the employee holds an L or Q clearance in order to provide notification to DOE/NNSA within two business days. DOE/NNSA directives require the termination of an employee security clearance within two business days of termination of employment or need for access to the Sites.

(b) Seller must immediately notify the Procurement Representative in writing when a badge of its employee or the employee of a lower-tier subcontractor is lost or stolen. These employees must report in person to the Badging Office (or contact PSS after hours/weekends) to complete an affidavit concerning the loss or theft and to obtain replacement badges.

(c) Seller must immediately notify the Procurement Representative in writing whenever any employee of Seller or a lower-tier subcontractor who has been badged or holds a security clearance under this Agreement terminates employment or no longer needs access to the Sites.

(d) Seller must ensure that its employees and its lower-tier subcontractors’ employees complete the Subcontractor Personnel Exit Checklist, Form UCN-4452S, before exiting the site for the final time. The employee must take the completed Checklist and badge to the Badging Office. If the Badging Office is closed (hours of operation are Monday-Thursday 6:00 a.m. to 4:30 p.m.) the employee may leave the Checklist and badge with the STR. (In such cases alternate debriefing arrangements will be made for employees holding an L or Q clearance.) The Checklist, signed by the STR or an authorized representative of Personnel Security, is acceptable proof to Company that a badge has been returned.

(e) Seller’s payment may be withheld until all requirements of this Article have been met. Failure by employees of Seller and its lower-tier subcontractors to promptly return badges will result in a charge of $1,000 per badge, to be withheld from payment or billed to Seller. In addition, failure to return a badge may result in the denial of future access to the Sites for the individual. This $1,000 charge will not be assessed against badges that are lost or stolen during performance if replacement badges are issued to allow Seller or lower-tier subcontractor employees to return to work.

(f) For Y-12 only - On the last Thursday of each month, Seller shall submit to Company the Subcontract Badge/Clearance Status Report (UCN-21709). Seller must ensure that all security badges issued to its employees and employees of its subcontractors at all tiers are recorded monthly.

15. WORKPLACE SUBSTANCE ABUSE PROGRAM (WSAP) [Apr 2021]

(a) Applies to -- This Article applies to subcontracts $25,000 or greater and which involve: (1) access to or handling of classified information or special nuclear materials; (2) high risk of danger to life, the environment, public health and safety, or national security; (3) transportation of hazardous materials to or from a DOE site, (4) employees who are required to have L or Q clearances to perform work under this Agreement, or (5) on–site construction activities.

(b) WSAP Covered Work --For purposes of this Article, “WSAP covered work” means both on-site work, and work that is not on-site but that is performed by subcontractor employees with Q or L clearances at facilities that have Limited Areas (security areas designated by DOE for the protection of classified matter). Facilities that are not DOE-owned or –leased or Company-owned or -leased but that have Limited Areas within them are known as “possessing facilities.”

(c) Sub-tier contractors to Seller - Seller shall include this requirement in its contracts with applicable lower tier subcontractors, and will require those subcontractors to include this requirement in their subcontracts, if the applicability standards listed in the “Applies to” section above are met. References to “Seller” include all lower tier subcontractors falling within the “Applies to” criteria listed in paragraph (a) above.
(d) Company approval of Seller Program

(1) All work falling within the “Applies to” criteria above is subject to 10 CFR 707, “Workplace Substance Abuse Programs at DOE Sites.” This Article highlights certain provisions of 10 CFR Part 707, but Seller is directed to the entire provision to ensure compliance. Seller shall develop and implement a workplace substance abuse program that complies with the requirements of 10 CFR Part 707. In accordance with 10 CFR 707.5(d), Seller’s WSAP requires Company approval. Seller’s proposed WSAP must be submitted to the Procurement Representative and approved before the start of work.

(2) Seller shall also submit applicable lower-tier subcontractor WSAPs for Company approval. Seller may either include employees of some or all subcontractors in its WSAP, or include this Article in subcontracts for WSAP covered work and require subcontractors to submit WSAPs for Company approval.

(e) General Workplace Substance Abuse Program Requirements.

(1) Seller’s WSAP shall be consistent with the baseline elements in 10 CFR Part 707 and the guidelines of the U.S. Department of Health and Human Services found at: http://www.samhsa.gov/.

(2) For all WSAP covered work, Seller’s WSAP must provide for pre-employment testing for illegal drugs before final selection of applicants for employment, regardless of whether such applicants will fill testing designated positions (TDPs) as described in paragraph (f) below. Pre-employment testing must comply with all applicable provisions of 10 CFR 707.

(3) Seller must notify the Procurement Representative in writing as soon as possible, or at the latest by the next business day, after Seller receives notice -
   • of an employee’s conviction under a criminal drug statute, or
   • for employees in TDPs (defined below), of a drug related arrest or conviction or a receipt of a positive drug test result.

(4) Seller shall maintain files of chain-of-custody records required by 10 CFR 707.12(a) and 10 CFR 707.16(d) and submit copies to Company upon request. Seller and lower-tier subcontractors shall require that laboratory records relating to positive drug test results be maintained in the manner and for the periods required by 10 CFR 707.16(c).

(5) Seller shall use only drug-testing laboratories certified by the Department of Health and Human Services under Subpart C of the HHS “Mandatory Guidelines for Federal Workplace Drug Testing Programs.” [See 10 CFR 707.12(a)]. The HHS Mandatory Guidelines are available at: http://www.samhsa.gov/. Seller shall provide a copy of the certification to the Procurement Representative upon request. Seller shall retain pre-employment testing records in accordance with 10 CFR 707.16. When an applicant has been tested and determined to have used an illegal drug, Seller must terminate processing for employment and so notify the applicant.

(6) As required by 10 CFR 707.5(d), Company will monitor Seller’s implementation of its program for effectiveness and compliance with 10 CFR Part 707. Seller shall submit a written report, if appropriate, to the Procurement Representative of drug tests completed before mobilization or commencing authorized work. At Company’s request, Seller shall submit additional reports of tests completed during performance.

(7) Company will require Seller to remove from WSAP covered work any Seller employee who is determined to have used an illegal drug.

(f) Testing Designated Positions

(1) In addition to the general WSAP provisions, Seller shall determine if it has employees in TDPs as defined below and performing WSAP covered work. If Seller has no TDPs (potentially the case for uncleared construction subcontractors employees not possessing a Facility Clearance) the WSAP shall so state. If Seller has employees in TDPs performing WSAP covered work, then prior to beginning work under this Agreement, Seller shall provide the Procurement Representative with a list of all TDP employees, and Seller’s WSAP must comply with the provisions of 10 CFR Part 707 regarding TDPs. Thereafter, Seller shall notify the STR of any additions or deletions of employees in TDPs within 48 hours.

(2) TDPs are defined as those positions involving certain high risk work listed in Part 707, access to classified information, construction, and crane operators, and any positions filled by employees holding an L- or Q-clearance.

(3) Seller’s employees in TDPs who perform on-site will be subjected to the following drug testing by Company:
   (i) Random drug testing at the rates specified in 10 CFR 707.7,
   (ii) Drug testing as a result of an occurrence (see 10 CFR 707.9), and
   (iii) Drug testing for reasonable suspicion of illegal drug use (see 10 CFR 707.10).

(4) Seller’s employees performing on-site work shall be placed in Company’s pool of employees for random drug testing, and these employees will be subject to testing by Company’s Occupational Health Services (OHS). Seller’s employee will be notified by Company’s representative when Seller’s employee is selected for random drug testing. Company’s representative will notify Company’s OHS when Seller’s employee has been notified of his/her
duty to report to Company’s OHS. Upon notification by Company’s representative, Seller’s employee will have one and one-half hours to report to Company’s OHS.

(g) Seller’s failure to comply with the requirements of 10 CFR Part 707 or to perform in a manner consistent with its approved WSAP may render Seller subject to suspension of payments, termination for default, suspension and debarment, and any other remedies available to Company and/or to DOE.

(h) If Seller believes that an anticipated lower tier subcontract for on-site work may require a WSAP that complies with 10 CFR 707, then Seller must notify the Procurement Representative not later than ten calendar days before Seller awards that subcontract.

16. BUY AMERICAN ACT – SUPPLIES [Apr 2021]
This Agreement is subject to the Buy American Act – Supplies clause as stated in the Article titled “Clauses Incorporated by Reference.” Seller is solely responsible for compliance with such clause and agrees to indemnify and hold harmless Company from any and all direct, indirect or consequential expenses or other damages relating to or arising out of the failure of Seller or its subsuppliers to comply with said clause.

17. AUTHORIZATION AND CONSENT (Ref. FAR 52.227-1, DEC 2007) [Apr 2021]
(a) The Government authorizes and consents to all use and manufacture, in performing this Agreement or any subcontract at any tier, of any invention described in and covered by a United States patent (1) embodied in the structure or composition of any Article the delivery of which is accepted by Company under this Agreement or (2) used in machinery, tools, or methods whose use necessarily results from compliance by Seller or a subcontractor with (i) specifications or written provisions forming a part of this Agreement or (ii) specific written instructions given by Company directing the manner of performance. The entire liability to the Government or Company for infringement of a patent of the United States shall be determined solely by the provisions of the indemnity clause, if any, included in this Agreement or any subcontract hereunder (including any lower-tier subcontract), and the Government assumes liability for all other infringement to the extent of the authorization and consent hereinabove granted.

(b) Seller shall include the substance of this Article, including this paragraph (b), in all subcontracts that are expected to exceed the simplified acquisition threshold. However, omission of this Article from any subcontract, including those at or below the simplified acquisition threshold, does not affect this authorization and consent.

18. PATENT INDEMNITY (Ref. FAR 52.227-3, DEC 2007) [Apr 2021]
(a) Seller shall indemnify Company and the Government and their officers, agents, and employees against liability, including costs, for infringement of any United States patent (except a patent issued upon an application that is now or may hereafter be withheld from issue pursuant to a Secrecy Order under 35 U.S.C. 181) arising out of the manufacture or delivery of supplies, the performance of services, or the construction, alteration, modification, or repair of real property (hereinafter referred to as “construction work”) under this Agreement, or out of the use or disposal by or for the account of Company or the Government of such supplies or construction work.

(b) This indemnity shall not apply unless Seller shall have been informed as soon as practicable by Company or Government of the suit or action alleging such infringement and shall have been given such opportunity as is afforded by applicable laws, rules, or regulations to participate in its defense. Further, this indemnity shall not apply to—

1. An infringement resulting from compliance with specific written instructions of Company directing a change in the supplies to be delivered or in the materials or equipment to be used, or directing a manner of performance of the Agreement not normally used by Seller;

2. An infringement resulting from addition to or change in supplies or components furnished or construction work performed that was made subsequent to delivery or performance; or

3. A claimed infringement that is unreasonably settled without the consent of Seller, unless required by final decree of a court of competent jurisdiction.

19. ALLOWABLE MATERIALS COSTS [Apr 2021]
(a) Definition. For the purposes of this Article--

1. Direct materials are those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product or service.

2. Materials means--

A. Direct materials, including supplies transferred between divisions, subsidiaries, or affiliates of Seller under a common control;
(B) Subcontracts for supplies and incidental services for which there is not a labor category specified in the subcontract;

(C) Other direct costs (e.g., incidental services for which there is not a labor category specified in the subcontract, travel, computer usage charges, etc.); and

(D) Applicable indirect costs.

(b) Reimbursing costs. (1) For the purpose of reimbursing allowable costs of materials (except as provided in paragraph (b)(2) below with respect to pension-plan contributions), the term “costs” includes only—

(A) Those recorded costs that, at the time of the request for reimbursement, Seller have paid by cash, check, or other form of actual payment;

(B) When Seller is not delinquent in paying costs of subcontract performance in the ordinary course of business, costs incurred, but not necessarily paid, for—

(i) Materials purchased directly for the subcontract and associated financing payments to subcontractors, provided payments determined due will be made in accordance with the terms of a subcontract or invoice, ordinarily within 30 calendar days of the submission of Seller’s payment request to Company;

(ii) Materials issued from Seller’s inventory and placed in the production process for use on the subcontract;

(iii) Other direct costs; and

(iv) Properly allocable and allowable indirect costs; and

(C) Financing payments that have been paid by cash, check, or other forms of payment to subcontractors.

(2) Accrued costs of Seller contributions under employee pension plans shall be excluded until actually paid unless Seller’s practice is to make contributions quarterly or more frequently, and the contribution does not remain unpaid 30 calendar days after the end of the applicable quarter or shorter payment period. (Any contribution remaining unpaid shall be excluded from Seller’s indirect costs for payment purposes).

(c) Final indirect cost rates. (1) Final annual indirect cost rates shall be established in accordance with Subpart 42.7 of the Federal Acquisition Regulation (FAR) in effect for the period covered by the indirect cost rate proposal.

(2)(i) Seller shall submit an adequate final indirect cost rate proposal to Company (or cognizant Government representative) and auditor within six months after the expiration of each of its fiscal years. Reasonable extensions, for exceptional circumstances only, may be requested in writing by Seller and granted in writing by Company or Government representative.

(ii) The proposed rates shall be based on Seller’s actual cost experience for that period. The appropriate Company or Government representative and Seller shall establish the final indirect cost rates as promptly as practical after receipt of Seller’s proposal.

(3) Seller and the appropriate Company or Government representative shall execute a written understanding setting forth the final indirect cost rates. The understanding shall specify (i) the agreed-upon final annual indirect cost rates, (ii) the bases to which the rates apply, (iii) the periods for which the rates apply, (iv) any specific indirect cost items treated as direct costs in the settlement, and (v) the affected contract and/or subcontract, identifying any with advance Agreements or special terms and the applicable rates. The understanding shall not change any monetary ceiling, obligation, or specific cost allowance or disallowance provided for in this Agreement. The understanding is incorporated into this Agreement upon execution.

(4) Within 120 calendar days (or longer period if approved in writing by the Procurement Representative) after settlement of the final annual indirect cost rates for all years of a physically complete Agreement, Seller shall submit a completion invoice reflecting the settled rates.

(5) If Seller fails to submit a completion invoice within the time specified, the Procurement Representative may determine the amounts due Seller and record this determination in a unilateral modification to the Agreement.

(d) Billing rates. Until final annual indirect cost rates are established for any period, Company shall reimburse Seller at billing rates established by Company or by an authorized Government representative, subject to adjustment when final rates are established. These billing rates shall be the anticipated final rates and may be prospectively or retroactively revised by mutual agreement, at either party’s request, to prevent substantial overpayment or underpayment.

(e) Quick-closeout procedures. Quick-closeout procedures are applicable when the conditions in FAR 42.708(a) are satisfied.
20. TAXES – FEDERAL, STATE AND LOCAL TAXES [Apr 2021]

(a) Definitions. As used throughout this Article, the following terms shall have the meaning set forth below:

(1) The term “direct tax” means any tax or duty directly applicable to the completed supplies or services covered by this Agreement, or any other tax or duty from which Seller or this transaction is exempt. The term includes any tax or duty directly applicable to the importation, production, processing, manufacture, construction, sale, or use of such supplies or services; it also includes any tax levied on, with respect to, or measured by sales, receipt from sales, or use of the supplies or services covered by this Agreement. The term does not include transportation taxes, unemployment compensation taxes, social security taxes, income taxes, excess-profits taxes, capital stock taxes, property taxes, and such other taxes as are not within the definition of the term “direct tax” as set forth above in this section.

(2) The term “agreement date” means the effective date of this agreement if it is a negotiated agreement, or the date set for the opening of bids if it is an agreement entered into as a result of sealed bidding.

(b) Federal Taxes. Except as may be otherwise provided in this agreement, the agreement price includes all applicable Federal taxes in effect on the agreement date.

(c) State or Local Taxes. Except as may be otherwise provided in this agreement, the agreement price does not include any State or local direct tax in effect on the agreement date. For sellers providing and installing tangible personal property, which becomes part of real property, the agreement price should include all state and local direct taxes on such installed tangible personal property.

(d) Evidence of Exemption. Company agrees, upon request of Seller, to furnish a tax exemption certificate or other similar evidence of exemption with respect to any direct tax not included in the agreement price pursuant to this clause; and Seller agrees, in the event of the refusal of the applicable taxing authority to accept such evidence of exemption, (1) promptly to notify Company of such refusal, (2) to cause the tax in question to be paid in such manner as to preserve all rights to refund thereof, and (3) if so directed by Company to take all necessary action, in cooperation with and for the benefit of Government, to secure a refund of such tax (in which event Company agrees to reimburse Seller for any and all reasonable expenses incurred at its direction).

(e) Price Adjustment. If, after the agreement date, the Federal Government or any State or local Government either (1) imposes or increases (or removes an exemption with respect to) any direct tax, or any tax directly applicable to the materials or components used in the manufacture of furnishing of the completed supplies or services covered by this agreement, or (2) refuses to accept the evidence of exemption, furnished under paragraph (d) hereof, with respect to any direct tax excluded from the agreement price, and if under either (1) or (2) Seller is obliged to and does pay or bear the burden of any such tax (and does not secure a refund thereof), the agreement price shall be correspondingly increased. If, after the agreement date, Seller is relieved in whole or in part from the payment or the burden of any direct tax included in the agreement price, or any tax directly applicable to the materials or components used in the manufacture or furnishing of the completed supplies or services covered by this agreement, Seller agrees promptly to notify Company of such relief, and the agreement price shall be correspondingly decreased or the amount of such relief paid over to Company for the benefit of the Government. Invoices or vouchers covering any increase or decrease in the agreement price pursuant to the provisions of this paragraph shall state the amount thereof, as a separate added or deducted item, and shall identify the particular tax imposed, increased, eliminated, or decreased.

(f) Refund or Drawback. If any tax or duty has been included in the agreement price or the price as adjusted under paragraph (e) of this clause, and if Seller is entitled to a refund or drawback by reason of the export or re-export of supplies covered by this agreement, or of materials or components used in the manufacture or furnishing of the completed supplies or services covered by this agreement, Seller agrees that it will promptly notify Company thereof and that the amount of any such refund or drawback obtained will be paid over to Company for the benefit of the Government or credited against amounts due from Company under this agreement. Provided, however, that Seller shall not be required to apply for such refund or drawback unless so requested by Company.

21. PAYMENT [Apr 2021]

Company will pay Seller as follows upon the submission of vouchers approved by the Procurement Representative or the Procurement Representative’s authorized representative:

(a) Hourly rate.

(1) Hourly rate means the rate(s) prescribed in the Agreement for payment for labor that is--

(i) Performed by Seller;

(ii) Performed by Seller’s subcontractors; or

(iii) Transferred between divisions, subsidiaries, or affiliates of Seller under a common control.
(2) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the Agreement by the number of direct labor hours performed.

(3) The hourly rates shall be paid for all labor performed on the Agreement that meets the labor qualifications specified in the Agreement. Labor hours incurred to perform tasks for which labor qualifications were specified in the Agreement will not be paid to the extent the work is performed by employees that do not meet the qualifications specified in the Agreement, unless specifically authorized by the Procurement Representative.

(4) The hourly rates shall include wages, indirect costs, general and administrative expense, and profit. Fractional parts of an hour shall be payable on a prorated basis.

(5) Invoices may be submitted once each month (or at more frequent intervals, if approved by the Procurement Representative). Seller shall substantiate invoices (including any subcontractor hours reimbursed at the hourly rate in the subcontract) by evidence of actual payment and by-

(i) Individual daily job timekeeping records;

(ii) Records that verify the employees meet the qualifications for the labor categories specified in the Agreement; or

(iii) Other substantiation approved by the Procurement Representative.

(6) Promptly after receipt of each substantiated invoice, Company shall, except as otherwise provided in this Agreement, and subject to the terms of paragraph (e) of this Article, pay the invoice as approved by the Procurement Representative or authorized representative.

(7) Unless otherwise prescribed in the Agreement, the Procurement Representative may unilaterally issue a modification to the Agreement requiring Seller to withhold amounts from its billings until a reserve is set aside in an amount that the Procurement Representative considers necessary to protect Company’s and the Government’s interests. The Procurement Representative may require withholding of five percent of the amounts due under paragraph (a) of this Article, but the total amount withheld shall not exceed $50,000. The amounts withheld shall be retained until Seller executes and delivers the release required by paragraph (h) of this Article.

(8) Unless the Agreement prescribes otherwise, the hourly rates in the Agreement shall not be varied by virtue of Seller having performed work on an overtime basis. If no overtime rates are provided in the Agreement and overtime work is approved in advance by the Procurement Representative, overtime rates shall be negotiated. If the Agreement provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Procurement Representative.

(b) Materials. (1) For the purposes of this Article--

(i) Direct materials are those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product or service.

(ii) Materials means--

(A) Direct materials, including supplies transferred between divisions, subsidiaries, or affiliates of Seller under a common control;

(B) Subcontracts for supplies and incidental services for which there is not a labor category specified in the Agreement;

(C) Other direct costs (e.g., incidental services for which there is not a labor category specified in the Agreement, travel, computer usage charges, etc.); and,

(D) Applicable indirect costs.

(2) If Seller furnishes its own materials that meet the definition of a commercial item at FAR 2.101, the price to be paid for such materials shall not exceed Seller’s established catalog or market price, adjusted to reflect the--

(i) Quantities being acquired; and

(ii) Actual cost of any modifications necessary because of Agreement requirements.

(3) Except as provided for in paragraph (b) (2) of this Article, Company will reimburse Seller for allowable cost of materials provided Seller--

(i) Has made payments for materials in accordance with the terms and conditions of the agreement or invoice; or

(ii) Ordinarily makes these payments within 30 calendar days of the submission of Seller’s payment request to Company and such payment are in accordance with the terms and conditions of the agreement or invoice.

(4) Payment for materials is subject to the Allowable Materials Costs Article of this Agreement. The Procurement Representative will determine allowable costs of materials in accordance with FAR Subpart 31.2, as supplemented by DEAR Part 931, in effect on the date of this Agreement.

(5) Seller may include allocable indirect costs and other direct costs to the extent they are--
(i) Comprised only of costs that are clearly excluded from the hourly rate;
(ii) Allocated in accordance with Seller’s written or established accounting practices; and
(iii) Indirect costs are not applied to subcontracts that are paid at the hourly rates.

(6) To the extent able, Seller shall--
(i) Obtain materials at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and,
(ii) Take all cash and trade discounts, rebates, allowances, credits, salvage, commissions, and other benefits. When unable to take advantage of the benefits, Seller shall promptly notify the Procurement Representative and give the reasons. Seller shall give credit to Company for cash and trade discounts, rebates, scrap, commissions, and other amounts that have accrued to the benefit of Seller, or would have accrued except for the fault or neglect of Seller. Seller shall not deduct from gross costs the benefits lost without fault or neglect on the part of Seller, or lost through fault of Company.

(7) Except as provided for in FAR 31.205-26(e) and (f), Company will not pay profit or fee to Seller on materials.

(c) Consent to lower-tier subcontracts. If Seller enters into any lower-tier subcontract that requires consent under the Subcontracts Article without obtaining such consent, Company is not required to reimburse Seller for any costs incurred under the lower-tier subcontract prior to the date Seller obtains the required consent. Any reimbursement of lower-tier subcontract costs incurred prior to the date the consent was obtained shall be at the sole discretion of Company.

(d) Total cost. It is estimated that the total cost to Company for the performance of this Agreement shall not exceed the ceiling price set forth in the Agreement, and Seller agrees to use its best efforts to perform the work and all obligations under this Agreement within such ceiling price. If at any time Seller has reason to believe that the hourly rate payments and material costs that will accrue in performing this Agreement in the next succeeding 30 calendar days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price, Seller shall notify the Procurement Representative giving a revised estimate of the total price to Company for performing this Agreement with supporting reasons and documentation. If at any time Seller has reason to believe that the total price to Company for performing this Agreement will be substantially greater or less than the then stated ceiling price, Seller shall so notify the Procurement Representative, giving a revised estimate of the total price for performing this Agreement, with supporting reasons and documentation. If at any time Company has reason to believe that the work to be performed in performing this Agreement will be substantially greater or less than the stated ceiling price, the Procurement Representative will so advise Seller, giving the then revised estimate of the total amount of effort to be required under the Agreement.

(e) Ceiling price. Company will not be obligated to pay Seller any amount in excess of the ceiling price in the Agreement, and Seller shall not be obligated to continue performance if to do so would exceed the ceiling price, unless and until the Procurement Representative notifies Seller in writing that the ceiling price has been increased and specifies in the notice a revised ceiling that shall constitute the ceiling price for performance under this Agreement. When and to the extent that the ceiling price has been increased, any hours expended and material costs incurred by Seller in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase.

(f) Audit. At any time before final payment under this Agreement, the Procurement Representative may request audit of invoices and supporting documentation. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices, that are found by the Procurement Representative not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments.

(g) Final payment. (1) Upon receipt and approval of the invoice designated by Seller as the `completion invoice" and supporting documentation, and upon compliance by Seller with all terms of this Agreement (including, without limitation, terms relating to patents and the terms of paragraph (h) of this Article), Company shall promptly pay any balance due Seller. A final invoice shall be submitted for payment no more than 90 calendar days following the expiration or termination of the Agreement, unless a later or alternate date is agreed to in writing by the Procurement Representative. Said invoices shall be clearly marked “Final Invoice”, thus indicating that all payment obligations of Company under this Agreement have ceased and that no further payments are due or outstanding. If Seller fails to submit a final invoice within the time allowed, the Procurement Representative shall determine the final amount owed to Seller, if any, or the final amount owed by Seller to Company. Such determination shall be final and conclusive between the parties without the right of judicial review unless Seller submits a Claim requesting a Director,
Procurement Operations and Business Management Final Decision under the Resolution of Disputes clause within 60 calendar days after receipt of the Procurement Representative’s determination.

2) Seller shall pay to Company any refunds, rebates, credits, or other amounts (including interest, if any) accruing to or received by Seller or any assignee under this Agreement, to the extent that those amounts are properly allocable to costs for which Seller has been reimbursed by Company. Reasonable expenses incurred by Seller for securing refunds, rebates, credits, or other amounts shall be allowable costs if approved by the Procurement Representative.

(h) Assignment and release of claims. Before final payment under this Agreement, Seller and each assignee whose assignment is in effect at the time of final payment, shall execute and deliver -

1) An assignment to Company, in form and substance satisfactory to the Procurement Representative, of refunds, rebates, credits, or other amounts (including interest, if any) properly allocable to costs for which Seller has been reimbursed by Company under this Agreement; and

2) A release discharging Company, the Government, their officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this Agreement, subject only to the following exceptions:

(i) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible of exact statement by Seller.

(ii) Claims, together with reasonable incidental expenses, based upon the liabilities of Seller to third parties arising out of performing this Agreement, that are not known to Seller on the date of the execution of the release, and of which Seller gives notice in writing to the Procurement Representative not more than six years after the date of the release or the date of any notice to Seller that Company is prepared to make final payment, whichever is earlier.

(iii) Claims for reimbursement of costs (other than expenses of Seller by reason of its indemnification of Company against patent liability), including reasonable incidental expenses, incurred by Seller under the terms of this Agreement relating to patents.

22. INTEREST [Apr 2021]
(This Article does not apply if Seller is a nonprofit organization or a state or local government or instrumentality.) All amounts that become payable to Company by Seller under this Agreement shall bear simple interest from the date due until paid, unless paid within 30 calendar days of the date due. The interest rate shall be the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (Public Law 95-563) as of the date due, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid. This Article shall not apply to amounts due under a price reduction for defective cost or pricing data article or a cost accounting standards clause.

23. RESOLUTION OF DISPUTES [Apr 2021]

(a) Seller and Company agree to make good-faith efforts to settle any dispute or Claim that arises under this Agreement through discussion and negotiation. If such efforts fail to result in a mutually agreeable resolution, the parties shall consider the use of Alternative Dispute Resolution (ADR). Whether mediation or binding arbitration is voluntarily agreed to or court ordered, the site of the proceedings shall be Oak Ridge, Tennessee (for Agreements related to Y-12) or Amarillo, TX (for Agreements related to Pantex); the parties shall share the cost of obtaining the mediator or arbiter, and each party shall bear its discretionary costs.

(b) “Claim,” as used in this Article, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of Agreement terms, or other relief arising from or relating to this Agreement, or its breach. However, a written demand or written assertion by Seller seeking the payment of money is not a Claim until certified, if certification is required by paragraph (d) below. A request for payment (e.g., a voucher, invoice, or other routine request for payment, a termination settlement proposal, or a request for an adjustment or equitable adjustment) that is not in dispute when submitted is not a Claim. An initially undisputed request for payment may be converted to a Claim by Seller by complying with the submission and applicable certification requirements in paragraphs (c) and (d) below.

(c) A Claim by Seller shall be made in writing, cite this Article, and be submitted to Company’s Director, Procurement Operations and Business Management with a request for a Final Decision.

(d) Seller and any lower-tier subcontractors whose portion of the Claim exceeds $50,000 shall certify its portion of the Claim; provided however, if Seller cannot certify the lower-tier subcontractor’s portion of Seller’s Claim, Seller shall explain in writing why it cannot certify that portion.
(i) Company shall not be liable for, and shall not pay, any Claim originated by Seller if that Claim exceeds $50,000 unless Seller’s Claim is accompanied by the below certification from Seller.

(ii) Company shall not be liable for, and shall not pay, any Claim of a lower-tier subcontractor to Seller if that Claim, without mark-ups by a higher-tier subcontractor or Seller, exceeds $50,000 unless that Claim is accompanied by the below certification from the lower-tier subcontractor that originated the Claim.

(iii) The aggregate amount of both increased and decreased costs shall be used in determining when the dollar threshold requiring certification is met.

CERTIFICATION
I acknowledge the expectation that any payment by Company for this requested contract adjustment will be reimbursed by funds of the Federal Government, and, under penalty of law, I certify that this Claim request is made in good faith, that the supporting data are accurate and complete to the best of my knowledge and belief, that the amount requested accurately reflects the contract adjustment for which Seller and I believe Company is liable, and that I am duly authorized to certify the request on behalf of [Seller or lower-tier subcontractor, as appropriate].

(c) (1) A Claim from Seller shall be deemed denied if the Director, Procurement Operations and Business Management does not issue a written Final Decision (i) by the date the Director, Procurement Operations and Business Management notified Seller that the decision would be issued, or (ii) within 60 calendar days after receipt of the Claim if the Director, Procurement Operations and Business Management did not notify Seller of a date by which the Final Decision would be issued. The Procurement Manager may, but is not required to, issue a written Final Decision after a Claim is deemed denied.

(2) The Director, Procurement Operations and Business Management’s written Final Decision on any Seller Claim shall be final and conclusive between the parties with no right of judicial review, provided however, that the Final Decision shall not be final and binding against either party, and shall be given no evidentiary weight by the trier of fact, if Seller files suit within 90 calendar days of the written Final Decision in the appropriate court as provided for in paragraph (f) below.

(3) Seller shall have no right to file suit prior to the date of the written Final Decision or 60 calendar days from the Director, Procurement Operations and Business Management’s receipt of the Claim, whichever occurs earlier.

(f) (1) State Agency. Where Seller is a State agency, such as an Educational Institution, the applicable constitutional provisions or statutes that govern sovereign immunity shall dictate the appropriate forum and law governing substantive issues.

(2) Not a State Agency. (a) Any litigation for an Agreement related to the Y-12 site shall be brought and prosecuted exclusively in Federal District Court, with venue in the United States Court for the Eastern District of Tennessee, Northern Division; any litigation for an Agreement related to the Pantex site shall be brought and prosecuted exclusively in the United States District Court for the Northern District of Texas, Amarillo Division. (b) In the event the requirements for jurisdiction in Federal District Court are not present, such litigation (if for an Agreement related to Y12 site) shall be brought in either Anderson, Knox, or Roane County, Tennessee, in the Circuit or Chancery Court, as appropriate. In the event requirements for jurisdiction in Federal District Court are not present for an Agreement related to the Pantex site, such litigations shall be brought in Carson County, TX or, in the event that such court lacks jurisdiction, in the highest trial court in the state of Texas having jurisdiction.

(3) THE PARTIES AGREE TO TRIAL BY JUDGE ALONE AND HEREBY WAIVE ANY RIGHT TO DEMAND A TRIAL BY JURY.

(4) If a court awards interest of any kind, interest shall be simple interest at the applicable rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (Public Law 95-563). If a court awards prejudgment interest, interest shall accrue from no earlier than the date a Claim is received by the Director, Procurement Operations and Business Management.

(g) Subject to (f)(1), the resolution of all issues arising from or relating to this Agreement shall be governed to the maximum extent practicable by the common law of federal contracts; provided, however, that (i) the “Christian Doctrine” shall not apply, meaning that federal procurement clauses (e.g., the FAR, including agency supplements) or portions thereof not appearing in this Agreement shall not be read into this Agreement, and (ii) where the language of any article, provision or term herein differs from the language of a federal procurement clause, provision or term, the differing language of this Agreement shall control. Where the common law of federal contracts does not apply, then
subject to (f)(1), resolution shall be governed by the laws of the State of Tennessee, without regard to its Conflicts of Laws rule.

(h) There shall be no interruption in the performance of the work, and Seller shall proceed diligently with the performance of this Agreement pending final resolution of any dispute arising under or related to this Agreement between the parties or between Seller and its subtier subcontractors.

(i) The contractual remedies in this Article shall not be deemed to waive, postpone the running of, extend, or otherwise affect any statute of limitation applicable to any request for payment or Claim.

24. HOLD HARMLESS [Apr 2021]
Seller shall be solely responsible for all liability and related expenses resulting from injury, death, damage to, or loss of property which is in any way connected with seller’s negligent performance of work under this agreement. Seller shall also be responsible for all materials and work until acceptance by company. Seller’s responsibility shall apply to activities of seller, its agents, lower-tier subcontractors, or employees and such responsibility includes the obligation to indemnify, defend, and hold harmless the government and company. However, such liability and indemnity does not apply to injury, death, or damage to property to the extent of company fault or negligence.

25. LIABILITY FOR FINES AND PENALTIES [Apr 2021]
Seller shall be responsible, at no expense to Company, for the payment of fines, penalties, and other assessments imposed as a result of Seller’s performance. If the fine, penalty, or other assessment results in part from actions or failures to act of Company or its employees, Company will be responsible for its pro rata share. If Company is required to pay a fine, penalty, or other assessment for which Seller is liable under this Article, Seller shall reimburse Company the amount of such fine, penalty, or other assessment.

26. REQUIREMENTS FOR REGISTRATION OF DESIGNERS [Oct 2017]
Architects or engineers registered to practice in the particular professional field involved in a State, the District of Columbia, or an outlying area of the United States shall prepare or review and approve the design of architectural, structural, mechanical, electrical, civil, or other engineering features of the work.

27. SPECIFICATIONS, DRAWINGS AND OTHER TECHNICAL DATA [Apr 2021]
(a) Anything mentioned in the specifications and not shown on the drawings, or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of difference between drawings and specifications, the specifications shall govern. In case of discrepancy in the figures, in the drawings, or in the specifications, the matter shall be promptly submitted to the Procurement Representative, who shall promptly make a determination in writing. Any adjustment by Seller without such a determination shall be at its own risk and expense.

(b) “Shop drawings” means drawings submitted to Company by Seller or any lower-tier subcontractor showing in detail (1) the proposed fabrication and assembly of structural elements, and (2) the installation (i.e., fit and attachment details) of materials or equipment. The term includes drawings, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance, test data, other technical data and similar materials furnished by Seller to explain in detail specific portions of the work. Company may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under this Agreement.

(c) If this Agreement requires shop drawings, Seller shall coordinate all such drawings, and review them for accuracy, completeness, and compliance with requirements of this Agreement and shall indicate its approval thereon as evidence of such coordination and review. Shop drawings submitted to Company without evidence of Seller’s approval may be returned for resubmission. Company will indicate an approval or disapproval of the shop drawings and if not approved as submitted shall indicate its reasons therefore. Any work done before such approval shall be at Seller’s risk. Approval by Company shall not relieve Seller from responsibility for any errors or omissions in such drawings or other technical data, nor from responsibility for complying with the requirements of this Agreement, except with respect to variations described and approved in accordance with paragraph (d) of this clause.

(d) If shop drawings show variations from the requirements of this Agreement, Seller shall describe such variations in writing, separate from the drawings, at the time of submission. If Company approves any such variation, Company shall issue an appropriate modification to this Agreement, except that, if the variation is minor or does not involve a change in price or in time of performance, a modification need not be issued.
28. STANDARDS AND CODES [Apr 2021]

In case of any conflict between any referenced standards and codes and an Agreement provision, Seller shall immediately notify Company of such conflict together with a recommendation for resolution. Company shall confirm the Agreement requirement in writing or direct an alternative solution in accordance with the Changes Article of this Agreement.

29. SUBCONTRACTORS, OUTSIDE ASSOCIATES, AND CONSULTANTS [Apr 2021]

Any subcontractors and outside associates or consultants required by Seller in connection with the services covered by this Agreement will be limited to individuals or firms that were specifically identified in Seller’s proposal, or during negotiations, and agreed to. Seller shall obtain the Procurement Representative’s written consent before making any substitution for these subcontractors, associates, or consultants.

30. SUBCONTRACTS [Oct 2018]

No subcontract or modification thereof placed under this Agreement shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement type subcontracts shall not exceed the fee limitations in FAR 15.404-4(c)(4)(i).

31. ASSIGNMENT [Apr 2021]

(a) Except as provided in (b), Seller shall not assign rights or obligations to third parties without the prior written consent of the Procurement Representative. Seller shall submit the documentation prescribed at FAR 42.1200 when requesting Company acceptance of Seller’s successor in interest or to recognize Seller’s change of name.

(b) Seller may assign rights to be paid amounts due or to become due to a bank, trust company, or other financing institution, including a Federal lending agency, if the Procurement Representative is promptly furnished written notice and a signed copy of such assignment, provided that any assignment of monies shall be subject to (1) proper setoffs in favor of Company and (2) any deductions provided for in this Agreement.

32. ASSIGNMENT OF CLAIMS [Apr 2021]

(a) Seller may assign its rights to be paid amounts due or to become due as a result of the performance of this Agreement to a bank, trust company, or other financing institution, including any Federal lending agency. The assignee under such an assignment may thereafter further assign or reassign its right under the original assignment to any type of financing institution described in the preceding sentence. Unless otherwise stated in this Agreement, payments to an assignee of any amounts due or to become due under this Agreement shall not be subject to reduction or setoff.

(b) Any assignment or reassignment authorized under this Article shall cover all unpaid amounts payable under this Agreement, and shall not be made to more than one party, except that an assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in the financing of this Agreement.

(c) Seller shall not furnish or disclose to any assignee under this Agreement any classified document (including this Agreement) or information related to work under this Agreement until the Procurement Representative authorizes such action in writing.

33. SUSPENSION OF WORK [Apr 2021]

(a) The Procurement Representative may order Seller, in writing, to suspend, delay, or interrupt all or any part of the work of this Agreement for the period of time that the Procurement Representative determines appropriate.

(b) If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed, or interrupted (1) by an act of Company in the administration of this Agreement, or (2) by Company’s failure to act within the time specified in this Agreement (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this Agreement (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption, and the Agreement modified in writing accordingly. However, no adjustment shall be made under this Article for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of Seller, or for which an equitable adjustment is provided or excluded under any other term or condition of this Agreement.

(c) A request for adjustment under this Article shall not be allowed—

(1) For any costs incurred more than 14 calendar days before Seller shall have notified the Procurement Representative in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and,
(2) Unless the request for adjustment, in an amount stated, is submitted in writing as soon as practicable, but no later than the earlier of final payment under this Agreement or 180 calendar days, after the termination of the suspension, delay, or interruption. Requests for adjustment not submitted before final payment and within the 180-day period are waived.

34. STOP-WORK ORDER [Apr 2021]

(a) Unless the provisions for stop work under the Supplemental Conditions Y-12 Construction or Pantex Construction Management Master Specifications apply, the Procurement Representative, may under this Article, at any time, by written order, require Seller to stop all or any portion of the work called for by this Agreement for 90 calendar days, and for any other further period to which the parties may agree. Seller shall immediately comply with the order and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the work stoppage.

(b) Before expiration of the stop-work order, Company may --

   (1) Cancel the stop-work order; or
   (2) Terminate the work covered by the order for default or convenience.

(c) If the order is canceled or expires, Seller shall resume work. Company shall make an equitable adjustment in the delivery schedule or price, or both, and the Agreement shall be modified, in writing, accordingly, if the stop-work order results in an increase in the time required for, or cost properly allocable to, performance of this Agreement. As a condition precedent to an equitable adjustment, Seller shall submit its request for equitable adjustment in writing to the Procurement Representative within 30 calendar days after the work stoppage ends.

(d) If the work covered by the order is terminated for convenience, Company shall allow reasonable costs resulting from the order in arriving at the termination settlement.

(e) If the work covered by the order is terminated for default, Company shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the order.

35. AUTHORIZED REPRESENTATIVES AND NOTICE [Oct 2017]

Unless otherwise specified, all notices and communications in accordance with or related to this Agreement shall be between authorized representatives designated in writing by the parties. Notices shall be in writing and may be served either personally on the authorized representative of the receiving party, by facsimile, by courier or express delivery, or by certified mail to the facsimile number or address shown on the face of this Agreement or such address as directed by notice.

36. CHANGES [Apr 2021]

(a) The Procurement Representative may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Agreement in any one or more of the following:

   (1) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for Company in accordance with the drawings, designs, or specifications.
   (2) Method of shipment or packing.
   (3) Place of delivery of supplies.
   (4) Description of services to be performed.
   (5) Time of performance of the services (i.e., hours of the day, days of the week, etc.).
   (6) Place of performance of the services.

(b) If any such change causes a difference in the cost, or the time required for performance, Company shall, subject to the submission requirement in paragraph (d), make an equitable adjustment in the price, delivery/performance schedule, or both, and modify the Agreement in writing. If Seller’s proposal includes the cost of property made obsolete or excess by the change, Company has the right to prescribe the manner of disposition of the property.

(c) Only the Procurement Representative is authorized on behalf of Company to issue a change, which must be in writing and clearly designated as a change order. If Seller considers that any oral direction or instruction by any Company personnel (including the Procurement Representative) constitutes a change, or if Seller considers that any written direction or instruction by any Company personnel (other than a designated change order issued by the Procurement Representative) constitutes a change, Seller shall not rely upon such direction or instruction and shall not be eligible for an equitable adjustment arising there from, without prior written confirmation from the Procurement Representative directing Seller to perform as stated in the direction or instruction. If such written confirmation from the Procurement Representative to perform also confirms the direction or instruction to be a change, the confirmation
shall be deemed a change order for purposes of paragraph (d). If, however, such written confirmation from the Procurement Representative to perform does not confirm the direction or instruction to be a change, any request by Seller for an equitable adjustment arising from such direction or instruction shall comply with paragraph (e).

(d) If the Procurement Representative issues a change order, any request for equitable adjustment by Seller must be submitted in writing to the Procurement Representative within 30 calendar days of receiving Company’s change order. If the request is not submitted within such time, the request shall be late and may be denied by the Procurement Representative whether or not Company is prejudiced by the late request. If Company, in its sole discretion, decides to act upon a particular late request submitted prior to final payment, such action shall not constitute or be deemed to be a waiver of this submission requirement with regards to any other late request, nor shall such action be considered in any way in interpreting this provision as a course of dealing or in any other manner.

(e)(1) If the Procurement Representative has not issued a written change order but Seller considers a change to this Agreement has occurred because, for example: (i) Company did not satisfy one of its expressed or implied duties under the Agreement, or (ii) the Procurement Representative did not provide written confirmation that a change occurred in response to Seller’s request for confirmation as provided for in paragraph (c), then as a condition precedent for entitlement to an equitable adjustment, Seller shall notify the Procurement Representative, in writing, that a change has occurred for which Seller intends to seek an equitable adjustment and identify: (i) date, nature and circumstances regarding the change, (ii) name of each person knowledgeable about the change, (iii) documents and substance of oral communications involving the change, and (iv) the particular elements of performance impacted by the change, including (a) adjustment in labor and/or materials, (b) delay or disruption caused, (c) estimated resulting price and schedule adjustments and (d) time by which Company must respond to minimize cost, delay, or disruption to performance of the work.

(2) In no event shall Seller recover any costs caused by the change incurred prior to 14 calendar days before Seller gives such written notice.

(3) Any request for equitable adjustment by Seller must be submitted in writing to the Procurement Representative no later than 30 calendar days after Seller gives the written notice specified in subparagraph (e)(1). If the request is not submitted within such time, the request shall be late and may be denied by the Procurement Representative whether or not Company is prejudiced by the late request. If Company, in its sole discretion, decides to act upon a particular late request submitted prior to final payment, such action shall not constitute or be deemed to be a waiver of this submission requirement with regards to any other late request, nor shall such action be considered in any way in interpreting this provision as a course of dealing or in any other manner.

(f) Nothing in this Article, including any disagreement with Company about an equitable adjustment, shall excuse Seller from proceeding with the Agreement as changed.

37. EXCUSABLE DELAYS [Oct 2017]

(a) Neither Company nor Seller shall be liable to the other party for default to the extent its nonperformance is caused by an occurrence beyond its reasonable control and without its fault or negligence (an “Excusable Delay”), such as Acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, strikes, (subject to (b)), unusually severe weather, delays of common carriers, and in the case of Seller’s nonperformance, acts of the Government in either its sovereign or contractual capacity.

(b) Seller agrees that any strike, work stoppage, or labor dispute specifically related to work under this Agreement among Seller’s employees or its subcontractors’ employees are not Excusable Delays.

(c) If Company’s or Seller’s nonperformance is caused by the default of its subcontractor at any tier, and if the cause of the default is beyond the reasonable control of both the nonperforming party and its subcontractor, and without the fault or negligence of either, the nonperforming party shall be entitled to an Excusable Delay under this Article, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the nonperforming party to meet the required delivery schedule. The party whose performance is affected by an Excusable Delay shall be granted schedule relief only to the extent it justifies and accounts for the claimed period of delay.

The notification shall contain the following:

Title to all other property, the cost of which is reimbursable to Seller, shall pass to the Government upon the earliest of issuance of property for use in performance, or processing property for use in performance, or reimbursement of cost of property.

(b) As may be required by this Agreement, Company shall deliver to Seller at the time and locations stated in this Agreement the Government property described in this Agreement. If the property is not suitable for its intended use or is not delivered to Seller as specified in this Agreement, Company shall equitably adjust affected provisions in accordance with the Changes Article when the facts warrant an equitable adjustment and Seller submits a timely written request for such adjustment. Said equitable adjustment shall be Seller’s exclusive remedy.

(c) Title to all Government property, whether provided by Company or acquired by Seller, shall remain in the Government. Title shall not be affected by the incorporation or attachment to any property not owned by the Government, nor shall any Government property become a fixture or lose its identity because it is affixed to any realty.

(d) For all Government property in Seller’s possession or for which Seller is responsible for, Seller assumes the risk and responsibility for its loss or damage, except—

Except as may be authorized in writing by Company, Government property shall be used only for the performance of this Agreement.

(f) Upon completion of this Agreement, Seller shall follow the instructions of the Procurement Representative regarding the disposition of all Government property not consumed in the performance of this Agreement (including any scrap) or previously delivered to Company. Seller shall dismantle, prepare for shipment, and at the Procurement Representative’s direction, store or deliver said property (at Company expense), or dispose of the property as directed by the Procurement Representative. (g) If this Agreement is to be performed outside the United States and its outlying areas, the words “Government” and “Government Property (wherever they appear in this clause) shall be construed as “United States Government” and “United States Government Property” respectively.

41. TERMINATION [Apr 2021]

(a) Company may terminate performance of work under this Agreement in whole or, from time to time, in part,

(1) For the convenience of Company or and,
(2) If Seller defaults in performing this Agreement and fails to cure the default within 10 calendar days (unless extended by the Procurement Representative) after receiving a notice specifying the default. “Default” includes failure to make progress in the work so as to endanger performance.

(b) Company shall terminate by delivering to Seller a Notice of Termination specifying whether termination is for default or for convenience of Company, the extent of termination, and the effective date. If, after termination for default, it is determined that Seller was not in default or that Seller’s failure to perform or to make progress in performance is due to causes beyond the control and without the fault or negligence of Seller as set forth in the Excusable Delays clause, the rights and obligations of the parties will be the same as if the termination was for the convenience of Company.

(c) After receipt of a Notice of Termination, and except as directed by the Procurement Representative, Seller shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:
(1) Stop work as specified in the notice.
(2) Place no further subcontracts or orders (referred to as subcontracts in this clause), except as necessary to
complete the continued portion of this Agreement.
(3) Terminate all subcontracts to the extent they relate to the work terminated.
(4) Assign to Company, as directed by the Procurement Representative, all right, title, and interest of Seller
under the subcontracts terminated, in which case Company shall have the right to settle or to pay any termination
settlement proposal arising out of those terminations.
(5) With approval or ratification to the extent required by the Procurement Representative, settle all outstanding
liabilities and termination settlement proposals arising from the termination of subcontracts, the cost of which would
be reimbursable in whole or in part, under this Agreement; approval or ratification will be final for purposes of this
Article.
(6) Transfer title (if not already transferred) and, as directed by the Procurement Representative, deliver to
Company—
   (i) The fabricated or unfabricated parts, work in process, completed work, supplies, and other material
       produced or acquired for the work terminated;
   (ii) The completed or partially completed plans, drawings, information, and other property that, if the
       Agreement had been completed, would be required to be furnished to Company; and
   (iii) The jigs, dies, fixtures, and other special tools and tooling acquired or manufactured for this Agreement,
       the cost of which Seller has been or will be reimbursed under this Agreement.
(7) Complete performance of the work not terminated.
(8) Take any action that may be necessary, or that the Procurement Representative may direct, for the protection
and preservation of the property related to this Agreement that is in the possession of Seller and in which Company has
or may acquire an interest.
(9) Use its best efforts to sell, as directed or authorized by the Procurement Representative, any property of the
types referred to in paragraph (c) (6) of this Article; provided, however, that Seller (i) is not required to extend credit to
any purchaser and (ii) may acquire the property under the conditions prescribed by, and at prices approved by, the
Procurement Representative. The proceeds of any transfer or disposition will be applied to reduce any payments to be
made by Company under this Agreement, credited to the price or cost of the work, or paid in any other manner
directed by the Procurement Representative.
(d) Seller shall submit complete termination inventory schedules no later than 60 calendar days from the effective
date of termination, unless extended in writing by the Procurement Representative upon written request of Seller
within this 60-day period.
(e) After expiration of the plant clearance period as defined in Subpart 49.001 of the Federal Acquisition
Regulation, Seller may submit to the Procurement Representative a list, certified as to quantity and quality, of
termination inventory not previously disposed of, excluding items authorized for disposition by the Procurement
Representative. Seller may request Company to remove those items or enter into an Agreement for their storage.
Within 15 calendar days, Company will accept the items and remove them or enter into a storage Agreement. The
Procurement Representative may verify the list upon removal of the items, or if stored, within 45 calendar days from
submission of the list, and shall correct the list, as necessary, before final settlement.
(f) After termination, Seller shall submit a final termination settlement proposal to the Procurement Representative
in the form and with the certification prescribed by the Procurement Representative. Seller shall submit the proposal
promptly, but no later than six months from the effective date of termination, unless extended in writing by the
Procurement Representative upon written request of Seller within this six month period. However, if the Procurement
Representative determines that the facts justify it, a termination settlement proposal may be received and acted on after
six months or any extension. If Seller fails to submit the proposal within the time allowed, the Procurement
Representative may determine, on the basis of information available, the amount, if any, due Seller because of the
termination and shall pay the amount determined.
(g) Subject to paragraph (f) of this Article, Seller and the Procurement Representative may agree on the whole or
any part of the amount to be paid (including an allowance for fee) because of the termination. The Agreement shall be
amended, and Seller paid the agreed amount.
(h) If Seller and the Procurement Representative fail to agree in whole or in part on the amount to be paid because
of the termination of work, the Procurement Representative shall determine, on the basis of information available, the
amount, if any, due Seller and shall pay the amount determined as follows:
   (1) If the termination is for the convenience of Company, include—
(i) An amount for direct labor hours (as defined in the Agreement) determined by multiplying the number of direct labor hours expended before the effective date of termination by the hourly rate(s) in the Agreement, less any hourly rate payments already made to Seller;
(ii) An amount (computed under the provisions for payment of materials) for material expenses incurred before the effective date of termination, not previously paid to Seller;
(iii) An amount for labor and material expenses computed as if the expenses were incurred before the effective date of termination, if they are reasonably incurred after the effective date, with the approval of or as directed by the Procurement Representative; however, Seller shall discontinue these expenses as rapidly as practicable;
(iv) If not included in subdivision (h)(1)(i), (ii), or (iii) of this Article, the cost of settling and paying termination settlement proposals under terminated subcontracts that are properly chargeable to the terminated portion of this Agreement; and,
(v) The reasonable costs of settlement of the work terminated, including—
   (A) Accounting, legal, clerical, and other expenses reasonably necessary for the preparation of termination settlement proposals and supporting data;
   (B) The termination and settlement of subcontracts (excluding the amounts of such settlements); and
   (C) Storage, transportation, and other costs incurred, reasonably necessary for the protection or disposition of the termination inventory.

(2) If the termination is for default, include the amounts computed under paragraph (h) (1) of this Article but omit—
   (i) Any amount for preparation of Seller’s termination settlement proposal; and
   (ii) The portion of the hourly rate allocable to profit for any direct labor hours expended in furnishing materials and services not delivered to and accepted by Company.

(i) If the termination is partial, Seller may propose an equitable adjustment of price(s) for the continued portion of the Agreement. The Procurement Representative shall make any equitable adjustment agreed upon. Any proposal by Seller for an equitable adjustment shall be requested within 90 calendar days from the effective date of termination, unless extended in writing by the Procurement Representative. If Seller fails to submit such proposal within the time allowed, Company may determine the amount, if any, due Seller and pay that amount.

(j) In arriving at the amount due Seller under this Article, there shall be deducted—
   (1) All unliquidated advance or other payments to Seller, under the terminated portion of this Agreement;
   (2) Any claim which Company has against Seller under this Agreement; and,
   (3) The agreed price for, or the proceeds of sale of materials, supplies, or other things acquired by Seller or sold under this Article and not recovered by or credited to Company.

(k)(1) Company may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by Seller for the terminated portion of the agreement, if the Procurement Representative believes the total of these payments will not exceed the amount to which Seller will be entitled.

   (2) If the total payments exceed the amount finally determined to be due, Seller shall repay the excess to Company upon demand, together with interest computed at the rate established by the Secretary of the Treasury under 50 U.S.C. App. 1215(b)(2). Interest shall be computed for the period from the date the excess payment is received by Seller to the date the excess is repaid. Interest shall not be charged on any excess payment due to a reduction in Seller’s termination settlement proposal because of retention or other disposition of termination inventory until 10 calendar days after the date of the retention or disposition, or a later date determined by the Procurement Representative because of the circumstances.

(l)(1) If Seller failed to submit the termination settlement proposal or request for equitable adjustment within the time provided in paragraph (f), or (i), respectively, the Procurement Representative’s determination under either said paragraph shall be final and conclusive without the right of judicial review.

   (2) If Seller submits the termination settlement proposal or request for equitable adjustment within the time provided in paragraph (f), or (i), the Procurement Representative’s determination under paragraph (f), (h), or (i) shall be final and conclusive without the right of judicial review unless Seller submits a Claim requesting a final determination from Company under the Resolution of Disputes clause within 60 calendar days after receipt of a determination under paragraph (f), (h), or (k).
42. SURVIVAL [Apr 2021]
All terms, conditions and provisions of this Agreement, which by their terms or by their nature are independent of the period of performance, shall survive the cancellation, termination, expiration, default or abandonment of this Agreement.
